The Kansas Court Reporters Association is offering their annual scholarship to students who live or study court reporting in Kansas. KCRA firmly believes the future of reporting in Kansas begins with its students. This association is honored to support students of court reporting in Kansas who will someday enter the field of reporting as freelancers, officials, and CART and broadcast captioners.

The scholarship to be awarded through KCRA's Education Fund is \$500. The recipient will be notified by Friday, September 27th, 2024, and will be recognized at KCRA's Business Luncheon, to be held this October 11th, 2024, in Wichita, Kansas. The scholarship is to be utilized at the student's discretion.

The following information will outline what is expected for an essay submission. The essay shall consist of 250-300 words, double-spaced, with one-inch margins in Size 12 Arial or Courier fonts. The essays will be judged for content, proper grammar and punctuation, spelling, and sentence structure.

Students need to submit a separate cover page with their name, address (both physical and e-mail), and a telephone number where you can be reached. In the cover page, please tell us the school or program you are attending and the speed you are currently focused on in the program. (Coversheet included.)

Essays and cover pages are to be attached in PDF format to an e-mail sent to Jennifer Olsen, Educational Scholarship Committee, at Jennifer.Olsen@kscourts.org.
