

Students - Get the Facts:

Questions to ask potential schools/programs:

- Are the classes offered in a brick-and-mortar school or online or a combination of both?
- What are the programs being offered at the school relating to the profession of voice writers as court reporters, CART Providers or captioners?
- Has the school received state accreditation or licensing?
- Does the school offer financial aid and/or scholarship opportunities?
- Does the program accept any transfer credits from other schools? Does this school have credits that other programs accept in transfer?
- What is the pass/fail rate for the programs I'm interested in?
- Does your school/program offer evening classes for those who work full-time?
- Is there an internship or externship requirement and, if so, are there opportunities arranged by the school?
- Does the program offer job placement assistance? Are records available for job placement upon successful completion of the program?
- Am I able to speak with an instructor, current student and/or graduate of the program?
- Is there a mentoring program for current students to be mentored by graduates of the program and/or working professionals?
- Does the program's cost include all software, hardware, laptop, etc. that is needed to complete the program AND is it full install version of software or student version of software?
